Evergreen Trees and Shrubs.

Magnolia Grandiflora—This variety of Magnolia is the finest of all Magnolias, and stands queen of all trees for the garden and lawn. It should be in every Southern garden, with its large, shiny dark-green leaves that keep green the year around. It is classed as an evergreen. It is a profuse bloomer, blooming from May until August; flowers large—sometimes ten inches across—very fragrant, and of a delicate creamy white—beautiful. I have a fine and healthy stock this year.
